Brexit is a boring tea break compared to the radical changes a Corbyn government would bring. As John McDonnell has said, Labour aims at nothing less than “an irreversible shift in the balance of wealth and power in favour of working people.”

This redistribution of resources would revolutionise UK society and our real estate markets. Despite an incipient breakaway, Labour continues to present a potentially lethal threat to the Conservatives in the opinion polls and (as June 2017 showed) at general elections.

Bruce Dear, our Head of London Real Estate has made a special study of Labour’s policies and will discuss the risks and opportunities of a Corbyn government — and how to plan for it.
